

CSL Limited Our Corporate Responsibility 2016

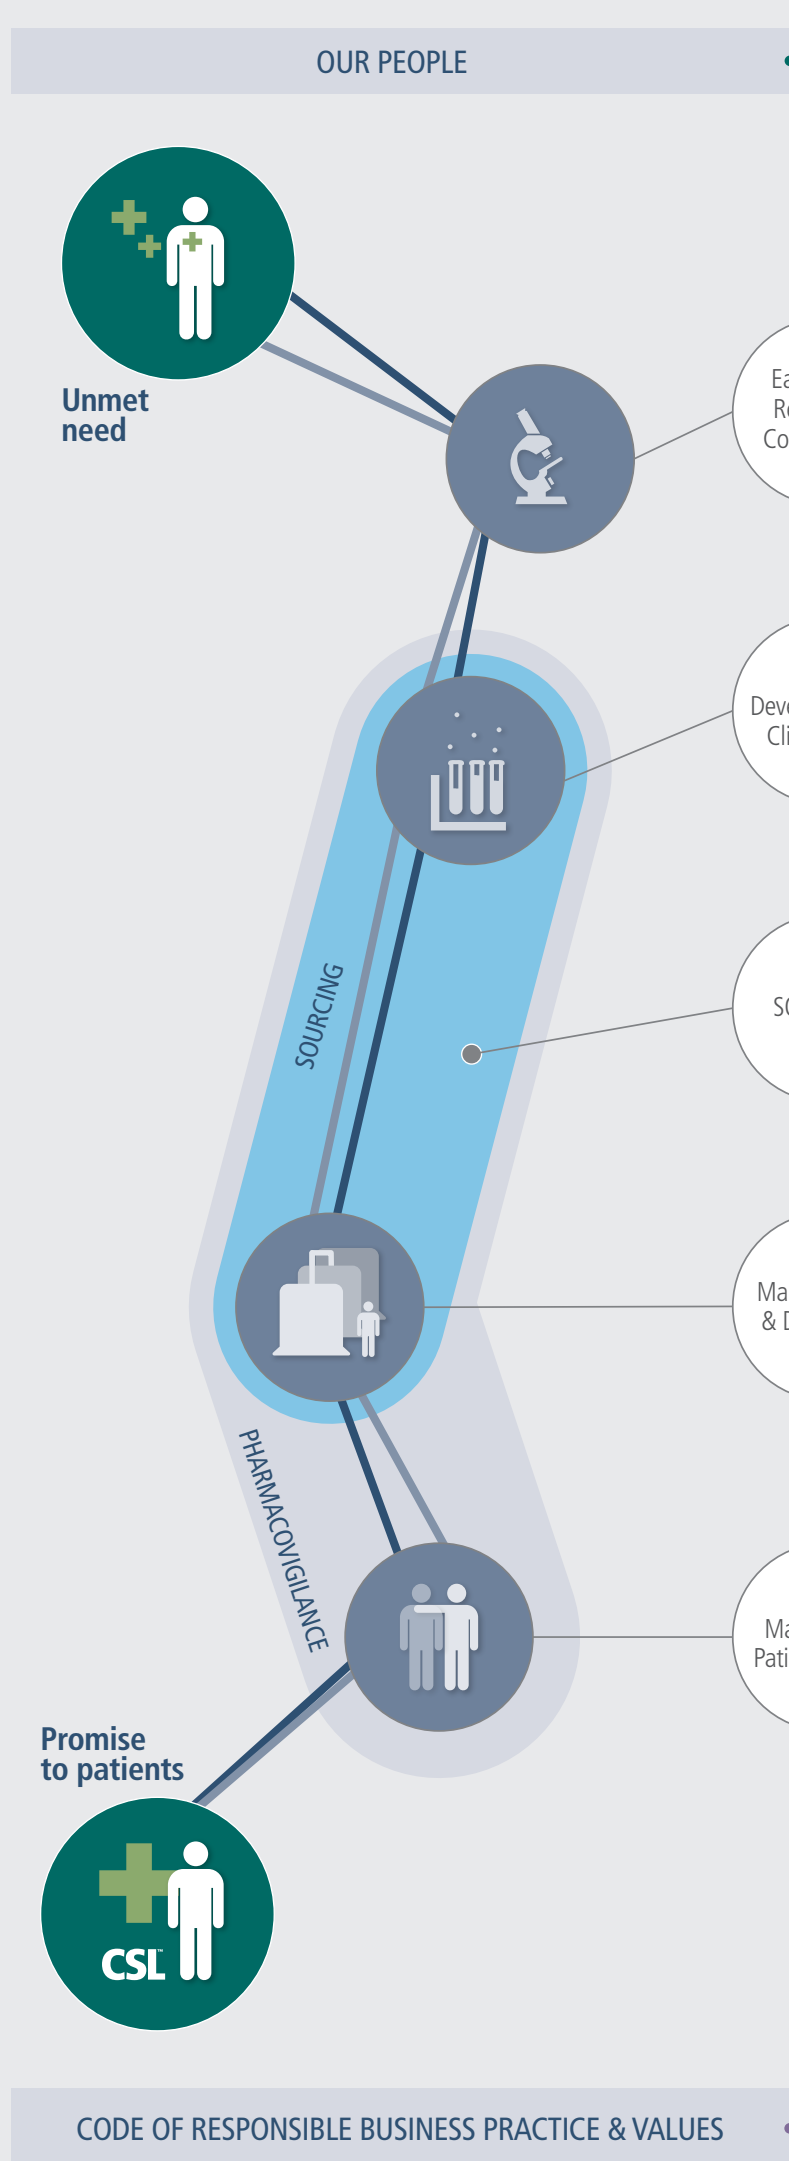

At CSL we are driven by our promise,
to save lives and protect the health of people.

Our Organisation

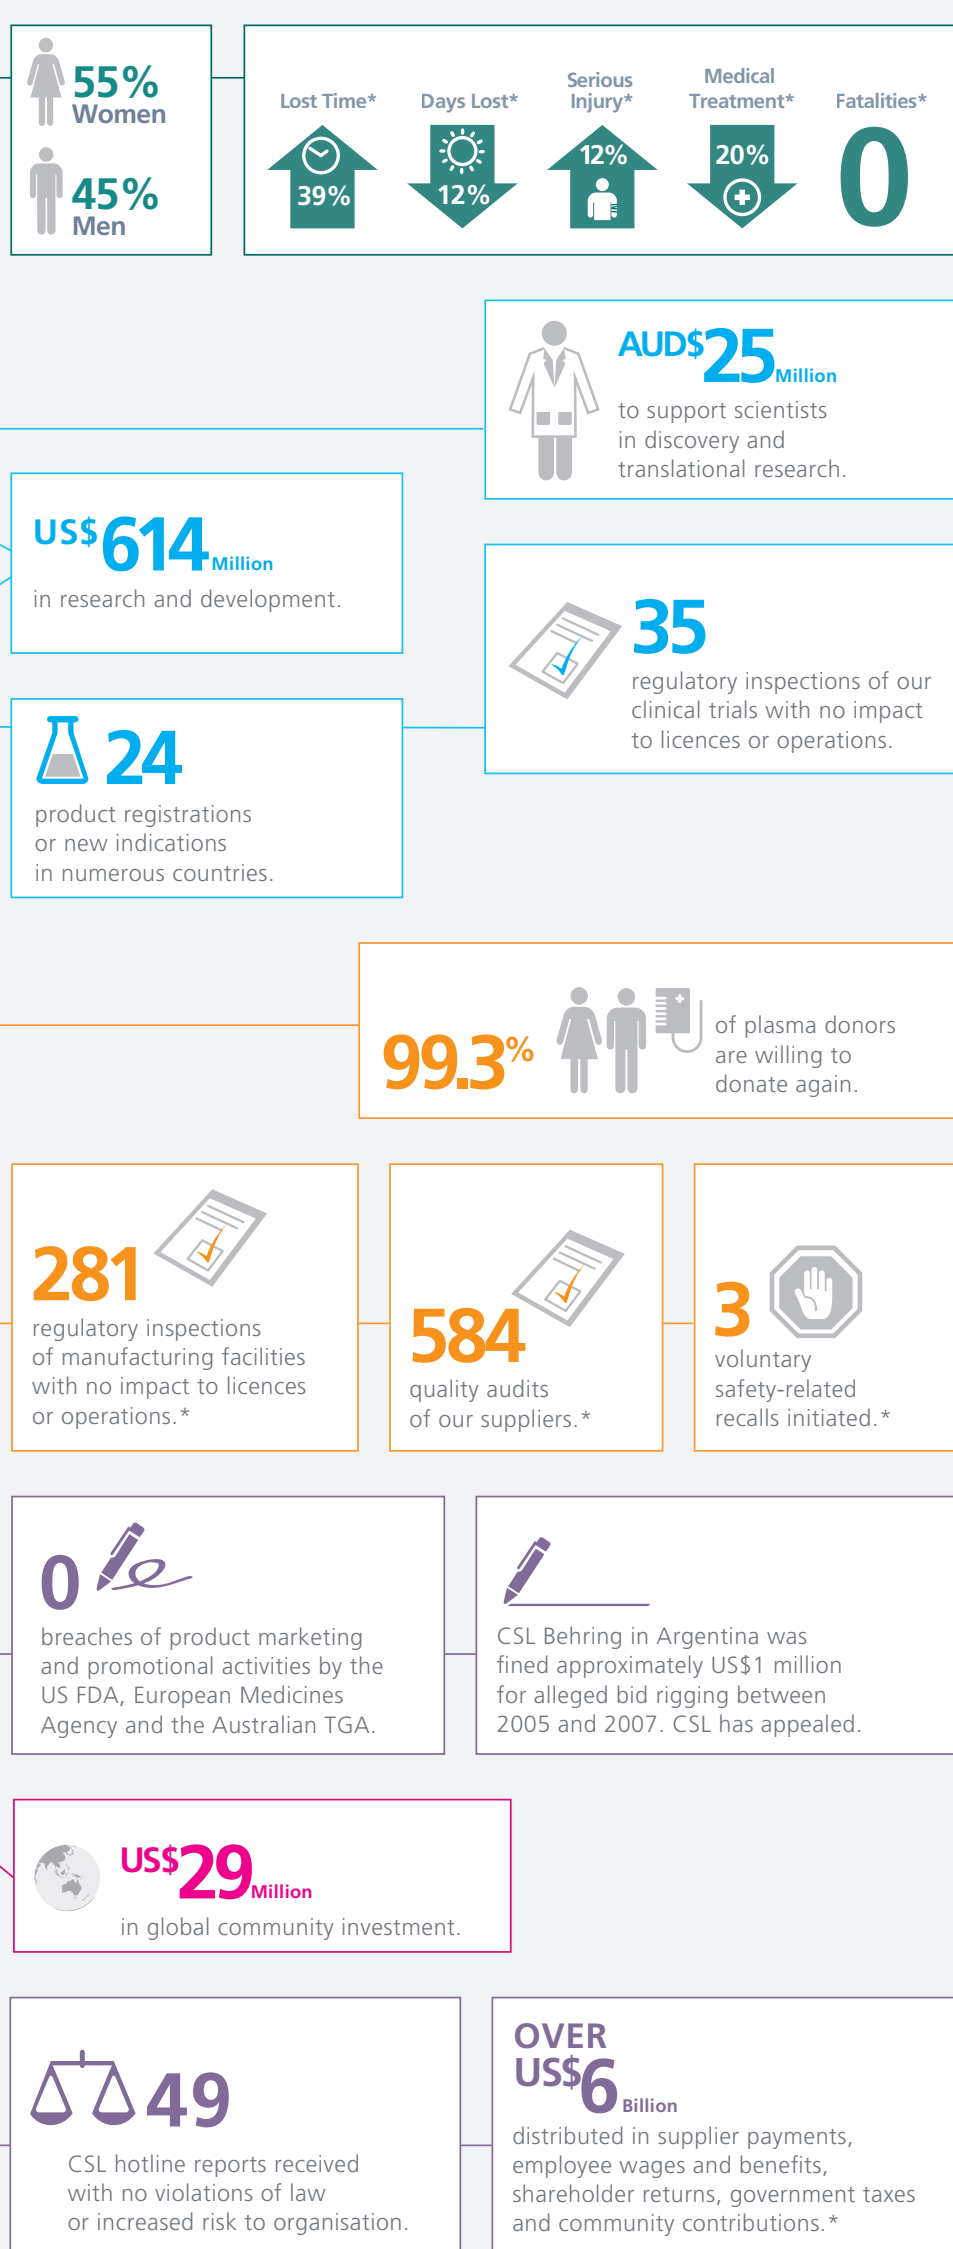

And ensuring we can continue to develop and deliver
life-saving and life-enhancing therapies to patients
around the world is our corporate responsibility.

Our Value Chain

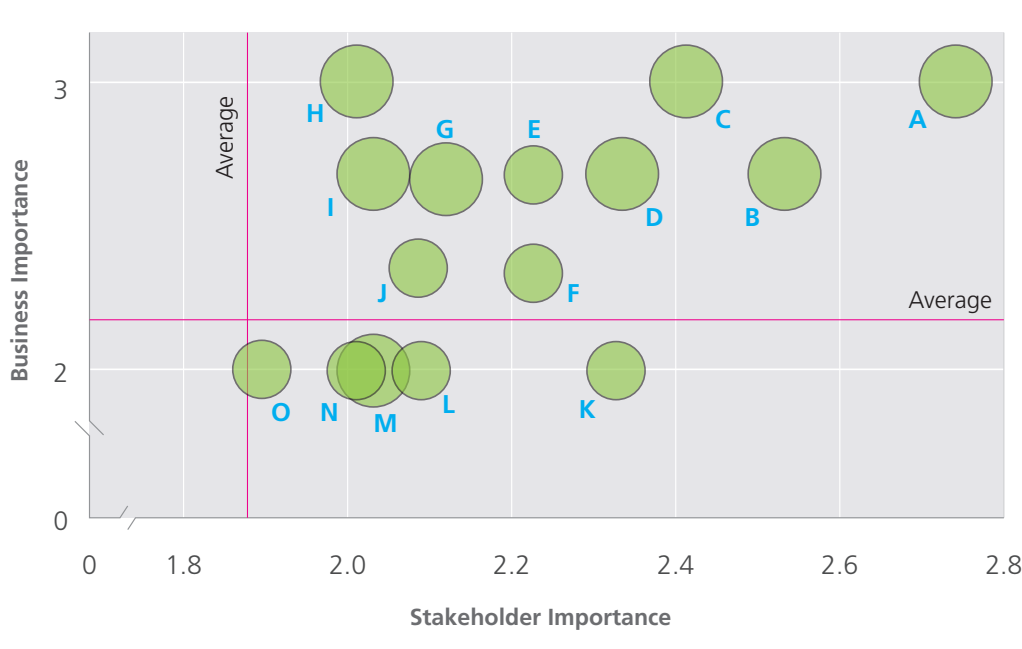

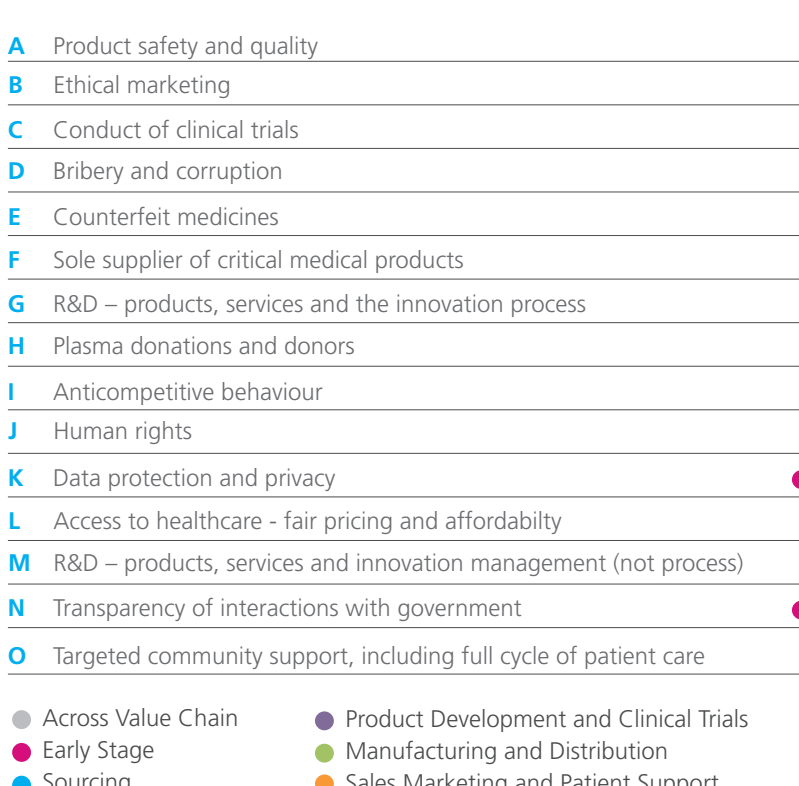

Our Performance 2015/16

Our Most Important Sustainability Aspects

In 2015/16, CSL's Global Corporate Responsibility Steering Committee concluded our second materiality assessment. This critical process identified 15 sustainability aspects most important to our business and stakeholders. You can find more information on the aspects, our materiality process and our performance in our full report.
